

After that, I am discuss with Roy sir, They have provided below CR/Corrections in application

1. Chages Contact US page(Keep only address, mail, phone)

2. Chages the design of Home page as per discussion with Jitesh sir and Nirupama madam.

3. In search page, Remove Dr which are coming 2 times

4. In serch page 2 tabs are their, 1. Services 2. Rate Chartes.

Kindly check this functionality is working properly or not.

5. Remove functionality of Checking doctor details from our database.

6. Please update user manual in application provided by Nirupama madam

7. Properly check all the flow of CEMSO Application

8. when downloading any file, It is showing 500 error page

9. If an application in draft mode, Please show the message "This application is incomplete"

We have taken one backup of application and database for developing purpose.

Note: These changes to be done before 20/05/2018 as per Roy sir.
