

Missing Method in PdfReportController

Error: The action `400` is not defined in controller `PdfReportController`

Error: Create `PdfReportController::400()` in file: `app/Controller/PdfReportController.php`.

```
<?php
class PdfReportController extends AppController {

    public function 400() {

    }

}
```

Notice: If you want to customize this error message, create `app/View/Errors/missing_action.ctp`
